**MEMORANDUM FOR THE SECRETARY OF STATE**

I attach herewith the memorandum which I used in the briefing at the White House on the evening of November 29th in connection with the American personnel held by the Chinese Communists.

We, of course, have full information in connection with the plane involved in the Downey-Fecteau case.

In connection with the  case, this memorandum includes only the facts which have been given me by Defense and Air Force and what we know independently with regard to the so-called ARC Wing, as well as certain allegations made in the detailed Chinese-Communist broadcasts.
